

1-PAZO DE LAXE

PAZOS

2-PAZO DE PODENTE

They came to us as a legacy of history and nobility in Galicia. They are spread across different areas of the municipality and their vision transports us through time to bygone eras. Monterroso is a place of pazos and stately homes due to its history.

3-PAZO DE SEIXÓS

Some are in ruins, many are not inhabited, others are very well maintained.

4-PAZO DE MUNDÍN

All of them display their coats of arms on the facades or above their entrance gates, representing some of the most noble families of Galicia, such as the Ulloa, Traba, Salgado, Noguerol or the Andrade.

They were places of retreat for the nobility at the end of the wars between feudal lords.

5-CASA -TORRE DE CUMBRAOS

Here, they resided with their families and servants and supported themselves mainly through agriculture.

6-CASA GRANDE DOS LAMEIROS
